MATERIAL OR SIGNIFICANT EVENTS

Farm Credit Bank of Texas

March 1, 2019

Effective for the December 31, 2018 reporting period, the Farm Credit Bank of Texas (FCBT) has discontinued reporting annual audited combined financial information for the Texas District. Instead, FCBT will begin publishing unaudited combined financial information for the Texas District, including a condensed statement of condition and statement of income, at www.farmcreditbank.com. In addition to this change, effective for the December 31, 2018 reporting period, the contents of the unaudited quarterly and annual Texas District reports have been modified to exclude certain information previously disclosed. Such information is not incorporated by reference into, and should not be considered part of, the Farm Credit Bank of Texas quarterly and annual reports.
